

Client name Address Line1 City, State Zip code Date

Dear Client,

We are sending you information about the Connecticut Insurance Premium Assistance (CIPA), a program that helps eligible individuals with the cost of health insurance premiums. Eligibility requirements include but are not limited to individuals that are eligible for the Connecticut AIDS Drug Assistance Program; that is, you must be a Connecticut resident, have an HIV/AIDS diagnosis, and a total income that is less than or equal to 400% of the federal poverty line, which is \$48,560 per year for one person. Some deductions can be applied toward your gross income. To apply for the CIPA program, please fill out the attached program application. We ask that you please follow all instructions and return the completed application within 10 days to the address above or fax it to 1-855-888-3300.

If you are determined to be eligible for this program, CIPA will pay your health insurance premiums directly to your employer (upon employer approval of third party payment), or to your COBRA administrator or private health insurance administrator directly, effective **the month after we receive all necessary information**. CIPA cannot reimburse individuals directly for health insurance premium payments. We encourage you to supply all the information to CIPA as soon as possible, so that CIPA can immediately begin the review of your application. If you have any questions, please contact the CIPA program at our toll-free phone number 1-855-888-CIPA (2472).

Please note that CIPA is not able to pay for family coverage, only individual coverage, and will only pay up to a maximum of \$1,500 per month toward approved health insurance premiums. Dental insurance is not covered by CIPA unless it is included in the medical insurance plan and cannot be "broken out."

Thank you for your interest in the CIPA program.

Sincerely,

The Connecticut Insurance Premium Assistance Team
